

# 2025 ARGYLE FIRE & RESCUE IMPACT REPORT

## WHO WE SERVE

**Marshall County, MN**

Emergency services are provided to the Marshall County townships of Middle River, Alma, Wanger, Wright, Foldahl, Tamarac, Bloomer, Parker, and Big Woods. We also provide mutual aid to neighboring fire departments.

## Who we are

The Argyle Fire Department and Rescue Squad in Minnesota is a highly regarded, well-equipped volunteer agency for a small town, featuring a 21-person force, three trucks, and a Class III ambulance. A rapid 5-minute average response time to 911 calls, with certified EMTs providing, alongside 13 first responders, critical care.

## COMMUNITY ENGAGEMENT & SERVICE

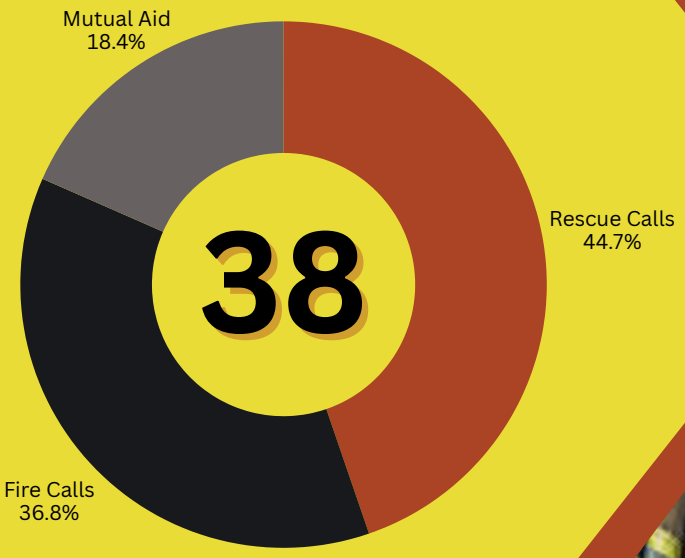

- Fire prevention week at Stephen Argyle Central schools.
- Annual Fireman's Pancake Breakfast.
- Nite to Unite event in Marshall County.
- Parades, send offs and other community events.
- Serve as local EMS/Fire at football games, Marshall County Fair and other community events.

## SERVING OUR COMMUNITY

Emergency services are provided with average response time to 911 calls, about five minutes by the local rescue squad. The hospital ambulance is just 10 minutes away with clinic, hospital, nursing home, pharmacy, chiropractor, dentist, and county nursing service all within 10 miles.

# MORE ABOUT THE SQUAD

- Personnel & Training: The department consists of roughly 21-25 members, including certified Emergency Medical Technicians (EMTs) and Emergency Medical Responders (EMRs). These members are trained to provide life-saving care and stabilize patients.
- Response Capabilities: The squad handles fire suppression, medical emergencies, and rescue situations.
- Response Time: Emergency services generally arrive within 5 minutes of a 911 call.
- Equipment: The department is considered one of the best-equipped in northwest Minnesota, maintaining several fire trucks and a Class III ambulance.

**The department functions as a vital, active emergency service provider for the local community.**
